This is a complete change for us. We are giving Alan Ayckbourn a rest. Also we are giving Harry Kennedy a rest—at least from directing. This time he is joining the other six members of the cast to give us a wonderful comedy about friends from the Over 60s club, who are finding delight in recapturing their youth!

Perhaps some of us can relate to this!

We have had a very short rehearsal period—five weeks from start to finish, however, with this hard working and talented cast, I think that we are ready to entertain you!

My thanks for your support.
